February Benevolence: Eden Seminary

Eden Theological Seminary is a graduate school of the United Church of Christ preparing ordained and lay leaders for ministry. It serves as an intellectual resource to the church and to the community and is a valuable resource to the Adult Education curriculum here at St Lucas. Eden focuses particularly on strengthening and supporting the life & mission of UCC congregations by educating pastors & teachers, enlivening critical reflection on faith, and encouraging Christian discipleship. Eden is one of the seven seminaries of the UCC and is ecumenically and globally inclusive. Students come to study at Eden from a variety of denominations, states and countries. Eden is blessed to have a significant enrollment of men & women each year and thus, is very thankful for your continued support. It is through your generous donations to the Rev. Fred Allrich Scholarship Fund that Eden is able to sustain the mission of the seminary—preparing men and women for ministry in God's church.

To learn more about Eden, visit <https://www.eden.edu/> or join us in worship on Sunday, February 9th for our Mission Moment! Your gifts to the St. Lucas General Fund help support Eden Seminary!

Sharing God's Gifts

At St. Lucas, we want to continue celebrating Gifts of the Spirit; Gifts from God, for God. Of course, to celebrate our gifts and talents, we are going to need YOU! Artists, photographers, fly tiers, needle pointers, makers, etc. are needed to fill the entry to our Social Hall. Please consider sharing your gifts with the congregation! Contact Michele Ottinger if interested at mottinger@stlucasucc.org.

Thank You St. Lucas!

St. Lucas, your generosity is making a huge impact in our community! Under the leadership of Rev. Traci Blackmon, Rev. Rebecca Turner, Rev. Starsky Wilson and Rev. Dr. Ginny Brown Daniel, the St. Louis Association of the UCC used free will donations from 14 area churches to pay off nearly \$13,000,000 in medical debt for area families. Thanks to St Lucas for its donation to this worthwhile cause. Stay tuned to learn about the 2020 debt relief effort!

Athletic Fields Volunteer Needed

Would you, or someone you know, be interested in coordinating the rental and maintenance of the athletic fields at St. Lucas? Our current volunteer is looking for someone to help and eventually take over this important role! This volunteer position would be ideal for someone with kids involved in sports! If you're interested, please contact Keith Wendel at 314-401-7489 or kpwendel@yahoo.com.

VBS Volunteers & Donations Needed

Snow may be falling but plans for VBS 2020 are already well underway. It is time for volunteers to come forward and offer their time and talent to be the coordinators of this year's VBS week- Rocky Railway. The dates are June 22-26. Please contact Michele Ottinger at mottinger@stlucasucc.org with your offer of help or for additional information.

The decoration team is in need of the following: two 55 gallon cardboard (fiber) drums (they do not need to be in pristine condition as they will be painted), pantyhose (any color will work, holes and runs okay - please place these in the marked bin in the recycling corner of the Social Hall), two dryer boxes and cardboard corner protectors.

Celebrating the History & Missions of St. Lucas UCC

by Joy Dressel

In the January Visitor, you read about the various health and human service organizations in and near St. Louis that were established by our denomination. For many of its 140 years, St. Lucas has also been connected through our denomination to a mission church and church camps that are a little farther away from St. Louis.

In the early 1920's, Rev. Paul A. Wobus, a son-in-law to St. Lucas' pastor Rev. Samuel Kruse, looked for a place to start a church mission project in the hardscrabble areas of the Ozarks. Wobus founded Shannondale Community Center in 1929 with goals of providing a church for the local residents, as well as, instruction on how to improve their lives with better farming and reforestation techniques. Today, Shannondale, near Echo Bluffs State Park, continues its work in the poorest county of Missouri. It includes a UCC church with weekly services, a place for community gatherings, a craft center for local artisans to sell their crafts, lodging space for retreats and work camps, occasional canoe and kayak camps, craft camps, a much-needed after-school program called "Timber Time", and a tree farm.

When the Evangelical and Reformed Church united with the Congregational Christian Church in 1957, we became connected to Camp Aurora, located farther west in the Ozarks. Some of our St. Lucas members fondly remember attending that camp as children. In 1962, Camp MoVal was established in Union, MO, by the Missouri Conference of the UCC, as another place to enable faith formation of children and adults in the outdoors. Today, Camp MoVal provides summer camp experiences for children completing kindergarten through high school. It also offers camps for families, young adults, grandparents with their grandchildren, and for people with special challenges. Many St. Lucas members have enjoyed attending summer camp and retreats at Camp MoVal. Others have been part of the staff, including Eric and Jorie Moeller, and Kit Norton.

The faith and lives of St. Lucas members and many others have been enriched by our associations with these parts of our wider church family over the years.

COUNCIL CORNER

Catch up on all the Church Council News from the past month...

Council Corner Update for January 9, 2020

The members of the 2020 Council want to thank you for your trust in us to handle the affairs of the church for the next year. With your support, and God's help, we will keep St. Lucas the vibrant and loving church it is.

The Council welcomes and looks forward to working with our new Interim Pastor the Rev. Bill Smutz. The Council has started having meetings with him in preparation for his arrival.

See you all Sunday.

Council Corner Update for January 16, 2020

The Council survived week one! The Council had a retreat on Saturday the 11th. This was the first time the Council had a chance to get together and start taking a look at the needs of 2020. It took more time than expected. As a result, they had a second session on Tuesday the 14th. That speaks to the many thoughts, concerns and ideas your council members have. Now the group is sorting it all out and setting priorities for action. We will let you know our plan once we have it agreed to.

The Council thanks Amy Bush and the young people of St. Lucas for the great sendoff they gave Kit Norton. It was their day to shine and they took advantage of it and did a super job.

On a serious note, if you are a committee person or part of an outside group and you are inviting someone to come and speak to the congregation, please have the courtesy to let the Council President and the Senior Pastor know. We want to be able to provide a warm St. Lucas welcome to our guests and partners in ministry.

Council Corner Update for January 23, 2020

This weekend we will see a double-edged event, one that is both sad and happy. The sad is we say farewell to our Supply Minister Rev. Anna Sharpe. The happy is knowing that she leaves us for her new adventure in life as pastor of her new church in New Jersey and the arrival of her first child. We want to thank Pastor Anna for her service to St. Lucas during this last four months. Please join us in the Social Hall following the 9 o'clock service to give her a great St. Lucas send off.

Council Corner Continued...

During this past week, several members of the council took time to attend committee meetings to be brought up to date on current activities. First was the Finance Committee for a refresher on budget and current financial status. Second was the Building and Grounds committee. Wow! Do they have a job. Sitting in a pew we have no real feel for what it takes to keep our beautiful church the way we want it be. The knowledge one gets from “looking behind the curtain” is endless.

See You in Church!

Council Corner Update for January 30, 2020

Bill Lowry recently resigned from the Council. We thank him for his service and wish him well. A number of names were submitted to the President for consideration as a replacement. After review, the Council elected Barb Coughlin as our new Council member. We welcome Barb.

Our youth program also welcomes a new staff member. Amy Bush presented Lynn Fey to be her assistant. The Council approved Lynn at its meeting this week. Welcome to the team Lynn!

A number of you have been calling in and saying your donations don't appear to match the amount you thought you had contributed based on your Record of Contributions yearly statements. This is especially true for those who have automatic deduction. Well, you are correct, and the Finance Committee is working to solve the problem. Since Pam left last year, we have been working to replace all the processes Pam did with the current office staff plus Red Hen Business Services (a financial services company). They are slowly getting things in order. Debbie Heagle has just completed entering the data into the system for us all to get credit and new statements have been sent out. They are asking you all to double check your figures and see if they match the church's figures. If there are any issues please call Debbie in the office.

On a second note, a number of you have been asking when we can see the rest of the financial data for the church. We are still working on restoring these processes and hope to have good monthly statements in the next few weeks. Please stay tuned.

The Council adopted Chapter 1 of the Council Policy manual. This is the first of four chapters of the Governance Document. This chapter provides the Council with some guidelines for their operations. Work continues on the next three chapters.

On Saturday we welcome our new Intentional Interim Senior Minister, the Rev. Dr. Bill Smutz. Over the weekend please join us in giving him one of our big St. Lucas welcomes. There will be a meet and greet in the Social Hall following the 9 AM service. SEE YOU THIS WEEKEND!

Letter from Pastor Bill

In her recent book, How To Lead When You Don't Know Where You're Going, Susan Beaumont, layperson and church consultant, explains that the word liminal is derived from the Latin *limen*, meaning a threshold, the bottom part of a door that must be crossed when entering a building. (p. 5). When a threshold is being crossed, a person is no longer outside of the doorway, but neither have they entered into the space on the other side. This moment of in-betweeness is called liminality; and the idea of liminality can be ascribed to individuals, or an organization, and even an institution – like a church. A church in a state of liminality is in a neutral space between an ending and a new beginning.

I believe that most American churches in 2020 exist in a state of liminality. They are on a threshold between approaches to ministry and mission and education and governance that used to work well in the past, but are no longer functioning as they once did. Yet, most churches don't know and can't see what is on the other side of the threshold. The Church that the Holy Spirit is calling into existence isn't quite ready to begin.

Uncertainty about God's future makes liminality a hard place for a congregation and its friends/members to be. Most of us like the comfort and familiarity of knowing where we stand and what is going on. But being in a place of liminality is also exciting. God is doing something new with congregations and disciples, even though we aren't sure what God's new thing will be and we can't see it very clearly yet. God is still inviting us to be part of the newness, and promising to take care of us along the way and when we get there!

In interim time, a church pauses on the threshold from what has been in order to better prepare itself for what will be. I look forward to using this time well and wisely with you!

Introducing Our New Senior Interim Minister

The Rev. Dr. Bill Smutz, has been an ordained Presbyterian pastor for over thirty years. A native of Webster Groves, his academic background includes a B.A. in Economics & Business from Westminster College (Fulton, MO), a Masters of Divinity from Princeton Theological Seminary, and a Doctor of Ministry from Eden Theological Seminary. Bill has served churches in Ohio, Missouri, Wisconsin, Kansas, and Indiana. He served as the interim/transitional pastor at St. John's UCC, Chesterfield from September 2015 – November, 2017, and since December 2017 has been the interim/transitional pastor at First Congregational Church of St. Louis in Clayton. Bill and his wife, Gina, have three adult sons, and are over-the-moon grandparents of Taylor, George and Maggie!

Reverend Dr. Smutz will begin serving St. Lucas as an Intentional Interim Senior Minister on February 1, 2020. Please join us in between services on Sunday, February 2nd to give Pastor Bill a warm St. Lucas welcome!

February Prayer Shawl Ministry

Welcome to 2020! We hope everyone had a very Happy New Year. Did anyone make a New Year's resolution to be more committed to spreading the love of God and bring to others His comfort and loving care? Have you been blessed with the gift of the art of knitting or crocheting? Then why not put that gift to work for the good of God this year. Our Prayer Shawls have been spreading God's love for over eleven years as a reminder to those who receive the shawls that God is always with them and wants to bring to all of us His comfort and peace.

If you would like to create something special that will bring the love of God to others, we are having our first meeting of 2020 on Monday, February 3rd, at 10 AM in the Fireside Room at St. Lucas and would love to have you join us. Let's make this a great year to spread God's love and comfort through the work of our hands.

In Christ's Service,
Diane Butler
