If you need a different time for your parent teacher conference, please let me know and we can work it out. I look forward to meeting with everyone! Please remember to still send coats, hats and gloves with your child because as soon as the temperature warms up enough, we will go outside to the playground for recess. (Little hands have been freezing cold the last few recess times) Some students bring a different water bottle each week,

so please label your child's name on all of their water bottles! Please send your child's Red Folder to school each day. Thanks!
